

Dylan Sokolov

Granada Hills | 818.966.5383 | dylansokolov1@gmail.com | [Portfolio](#)

PROFESSIONAL SUMMARY

Senior CIT student focused on AI systems, cybersecurity, and cloud infrastructure. Hands-on experience building secure full-stack applications, configuring enterprise networks, and managing IT/security projects. Strong foundation in authentication, network security, and risk management. Seeking an entry-level role or internship in Cybersecurity, AI Security, or Cloud Security Engineering.

EDUCATION

Bachelor of Science in Computer Science

May 2026

Major in Computer Information Technology w/ Minor in Finance | California State University Northridge

TECHNICAL SKILLS

Security: VPNs, Firewalls, VLANs, Network Segmentation, Authentication, Risk Management

Cloud/DevOps: AWS, Docker, CloudStack, Linux, MySQL

Programming: JavaScript, Node.js, Express, MongoDB, SQL

Tools: Git, Figma, REST APIs, Bash

Concepts: Secure coding, Session management, Encryption basics, System design

PROJECT EXPERIENCE

VPN Infrastructure & Security Project

October 2025

- Led full lifecycle management of a secure VPN deployment (scope, risk, cost, schedule)
- Designed secure connection flows and performance dashboards
- Created UX prototypes to visualize security metrics and connection status

Secure Full Stack Web Application

November 2024

- Built Node.js + Express + MongoDB app with user authentication
- Implemented session-based access control and bcrypt password hashing
- Protected routes and enforced middleware-based security checks

Enterprise Network Solution & Cloud Infrastructure

June 2024

- Configured MySQL backend with high availability for CloudStack
- Designed VLAN isolation, firewalls, and secure virtual networks
- Improved segmentation and compliance for enterprise workloads

CERTIFICATIONS

- CompTIA Security+
- CISCO CCNA+ (In Progress)
- AWS Academy Graduate- AWS Academy Cloud Foundations
- Docker Foundations - Docker Foundations Professional Certificate
- Microsoft - Microsoft Security Essentials Professional Certificate

PROFESSIONAL EXPERIENCE

Peak Cafe, Barista, Northridge, CA

July 2025 - Present

- Deliver high-volume service in fast-paced environment
- Maintain efficiency, multitasking, and customer satisfaction

Tifa Chocolate & Gelato, Shift Supervisor, Porter Ranch, CA

January 2023 - June 2025

- Supervised team operations and shift performance
- Managed cash handling and daily store operations
- Developed leadership, accountability, and problem-solving skills
